

www.sandbachsharks.co.uk

Sharks Swimming Club has a web site which contains: lots of club information; gala dates; committee members; coaches; swimming session times. The website is enhanced by the use of photographs of our swimmers. These may be of action shots, or as a group at the club championships, or individually with their medals.

We do not make a point of identifying the swimmers in the photographs; they are used to enhance the look of the site.

We often display the swimmer's times from the galas. This means that the times for the swimmers will be easily accessible for all to see. If you have any strong views about details that should or should not be included please let me know.

Photographs of children are something for which we need permission, therefore I would be grateful if you would fill in this permission form and return it to the Committee.

Heather Bottomley
