

CHESHIRE 2010 SWIMMING CHAMPIONSHIP

We are now inviting entries for the 2010 Cheshire Championships which will be held at Macclesfield Leisure Centre on the 21st, 27th and 28th March and long course events at Stockport Grand Central pool on the 20th March.

Moving forward all invitations for Sandbach Sharks swimmers to open galas will be via e-mail and publication on noticeboards, no paper copies will be handed out. The entry details for this Championship can be accessed at www.swimcheshire.org. Then search under disciplines – swimming – events.

This competition is one of the key events for our swimmers and all who have the qualifying times are encouraged to enter.

Entry forms must be given to Rob Waters by no later than Friday 29th January with the exception of those swimming at the Cannock Phoenix gala to obtain consideration times (the closing date for these will be 16th February). No entries will be accepted after these dates.

A £1 per day admin fee must be included in the overall cost of entry. Please make all cheques payable to Sandbach Sharks.

The organisers have confirmed the following criteria for acceptable times:-

- Times must have been achieved in the last 12 months
- Must have been achieved at Licensed meets at all levels – the organisers will be checking the rankings for clarification. This means that league galas and club championship times will not be accepted. The exception to this rule will only be for swimmers aged 9 years and results sheets must be attached to entries.
- All times must be genuine times as the organisers will check

If you are converting a long course time to a short course time the organisers preferred tool for converting times can be found at www.sportsys.co.uk

Alternatively, if you are unsure, please e-mail me with your long course time at rob.n.waters@hotmail.co.uk and I will convert it for you. As we may need to provide proof of entry times any conversions need to be accurate.

Please ensure that all entry forms are fully completed with all personal details including ASA numbers, accurate times and signed by the swimmer.
